Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

1 2 3 4 5 6 7

B. Please describe how you see the program benefiting you.

It made me more aware of the new programs and people to contact for training or just answers to questions. I am much more aware of our DDA office functions. Como particularly. I was very interested in all these presentations.

C. Given your present assignment, what segment of the program did you find least useful?

I am in OP/RAD so I think the DDO representation was least useful. However, I was very interested in it, more so than the Privacy Act.
